Frequently Asked Questions

Is this safari more birding or more wildlife?

It is balanced. Birding is a key focus, but you also get strong big game time in Serengeti, Ngorongoro, and Tarangire.

What is the best time for birding?

November to April is excellent for birding with migratory species present. Birding is possible year-round.

Is this trip private?

Yes. You will have a private vehicle and professional guide throughout, with flexible stops for birding.

Can you add Lake Natron or more birding areas?

Yes. We can extend the trip to include Lake Natron or other hotspots based on your birding goals.
